DEED OF TRUST

THIS DEED OF TRUST made this 13TH day of October in the year 1965, by and between MONTPELIER ESTATES, INC., a Maryland corporation, party of the first part hereto, and CLARENCE DODGE, JR. and SOLOMON GROSSBERG, joint tenants, trustees as hereinafter set forth, parties of the second part hereto, WITNESSETH

WHEREAS the said party of the first part hereto is bona fide and justly indebted unto CHRISTINE B. L. WILLCOX, in the full sum of SEVEN HUNDRED FIFTY THOUSAND NINE HUNDRED THIRTY-NINE AND 72/100 (\$750,939.72) DOLLARS, being the balance of the purchase money for the hereinafter described property, for which said sum it has made, executed and delivered its one certain promissory note of even date herewith, drawn payable to the order of the said Christine B. L. Willcox, with interest until paid at the rate of four per centum (4%) per annum, payable semi-annually accounting from the date hereof; said principal payable in six (6) equal semi-annual installments in the amount of ONE HUNDRED TWENTY-FIVE THOUSAND ONE HUNDRED FIFTY-SIX AND 62/100 (\$125,156.62) DOLLARS, the first of said installments to be paid on the 13TH day of April, 1968, and each consecutive six months thereafter until the principal is paid in full. The party of the first part shall have the right of prepaying all or any portion of the entire amount outstanding on the note at any time without premium or penalty except that until January 1, 1966, prepayments shall not exceed \$114,849.60.

It is understood and agreed that the hereinabove named trustees shall execute partial releases of the hereinafter described property from the lien of this deed of trust at the rate of \$6,250.00 per acre, plus interest on the sum so paid from the date interest was last paid to the date of such payment, to be released in parcels of not less than 50 acres. The first parcel released shall be contiguous to the hereinafter described 25 acre exception, and each successive parcel released shall be contiguous to land previously released; and the sums paid for said partial releases shall be applied to a reduction of the next installment or installments, and the party of the first part shall be entitled to partial releases in accordance with the foregoing formula upon paying each semi-annual installment; ^{*see below} and no release shall be made that will render the remaining encumbered land landlocked or inaccessible to public highways and streets, or that would leave said remaining encumbered land unfit or undersirable for development; and such releases shall be made in a manner that will preserve to the remaining encumbered land ready and adequate access to main highways and to public utilities (including sanitary sewers, water and storm drainage) without the necessity of obtaining rights of way over the lands of others for that purpose.

It is further understood and agreed that the hereinabove named trustees shall be required, without prepayment on account of the debt secured, to join in the grant of rights of way and easements for installation, maintenance and repair of sanitary sewer, storm water drainage and water facilities, and electricity, gas and other utilities all as may reasonably be required in the sound and orderly development of the property, such easements and rights of way to be at such place or places in the tract as may be designated or acceptable to the governmental or quasi-governmental authorities having jurisdiction and/or the utility companies furnishing said services, upon the further condition that said easements and rights of way will be designated by metes and bounds description so that their location may be readily ascertainable.

It is further understood and agreed that the hereinabove named trustees shall be required, without prepayment on account of the debt secured, to join in plats of subdivisions, including therein dedications of streets and roads to public use, all as may reasonably be required in the orderly and sound development of the property, provided, however, that after the first subdivision, all subsequent subdivisions shall be contiguous to lands previously subdivided; and if such subdivision plats include dedications of land for parks or purposes

* or any pre-payment thereof, in whole or in part

other than streets, roads or utilities, the party of the first part shall be required to make payment on the principal of the note an amount equal to \$6,250.00 for each acre included in the land so desired to be dedicated for purposes other than streets, roads or public utilities, plus interest on the amount so paid computed to the payment date.

AND WHEREAS, the party of the first part desires to secure the prompt payment of said debt, and interest thereon, when and as the same shall become due and payable, and all costs and expenses incurred in respect thereto, including reasonable counsel fees incurred or paid by the said parties of the second part or substituted trustee, or by any person hereby secured, on account of any disputed matter or any litigation at law or in equity which may arise in respect to this trust or the property hereinafter mentioned, and of all money which may be advanced as provided herein, with interest on all such costs and advances from the date thereof.

NOW, THEREFORE, THIS INDENTURE WITNESSETH, that the party of the first part, in consideration of the premises and of one dollar lawful money of the United States of America to him in hand paid by the parties of the second part, the receipt of which before the sealing and delivery of these presents is hereby acknowledged, has granted and does hereby grant unto the parties of the second part upon the following trusts the following described land and premises, situate in Bowie Election District and Vansville Election District, Prince Georges County, State of Maryland, known and distinguished as:
